

March 2, 2020

This is an open letter to all of my dear patients.

Smooth Sailing Dental is now beginning the third year in our new facility. On behalf of the entire team, we hope you are enjoying our state of the art technology, as well as our expanded services and hours.

I am very excited to be writing this letter particularly to introduce the latest addition to our team, Bethany Wierzbicki, DMD, MBA.

Dr. Wierzbicki grew up in Minnesota, where she achieved her Bachelors Degree in Biology and Spanish. She completed her graduate studies at the Roseman University College of Dental Medicine (DMD) and a Masters in Business Administration (MBA). She has also completed study and received a Fellowship of Implantology through the International Congress of Oral Implantologists.

In her own words, Dr. Wierzbicki states that "Today's patients are demanding aesthetics. I feel it is my obligation to exceed patient expectations and deliver both functional and beautiful smiles. The only way of doing that is by continuously learning and growing with the field of dentistry, offering dental implants, Botox, dermal fillers, Invisalign orthodontics and much more. I have a passion for learning in order to provide comprehensive treatment for every patient. In order to stay up to date with the everchanging field of dentistry, I am a member of the American Dental Association, the Florida Dental Association, Treasure Coast Dental Society, the Academy of General Dentistry and the American Academy of Facial Esthetics. I am also an active member of the SPEAR Study Club."

Bethany enjoys performing and singing in theatre productions. Her most recent accomplishments were playing the lead roles of Sherrie in "Rock of Ages" and Belle in "Beauty and the Beast" at the Barn Theatre in Stuart. Bethany was recently married to Joseph Wierzbicki, MD in November 2019. Joseph is a non-surgical orthopaedic doctor at Florida Orthopaedic Specialists. You can learn more about Joseph and Bethany at www.DoctorW.org. They enjoy traveling and look forward to starting their married life together.

On behalf of myself, Dr. Wierzbicki, and the entire staff, we want to thank you for your loyalty, confidence, and support over the years. We look forward to serving your dental needs for many years to come. You can always depend on us to provide you with the highest quality dental experience, utilizing the best materials, the latest proven technology all in the most comfortable surroundings possible.

Please call for an appointment with either Dr. Wierzbicki or myself, and we welcome the referral of your friends and family.

Yours for better dental health,

W. Roger Long, DDS
